

Product Code SDS-LK-SGL	Nominal Dimensions N/A	
Description The Sargent & Greenleaf® 8077AD Padlock is a specialized combination padlock designed to show obvious evidence of forced entry attempt. Unique serial numbers on three different lock parts ensure that critical parts are not broken to gain entry and then replaced. This Sargent & Greenleaf padlock is designed to meet stringent U.S. government specifications and is used in conjunction with all Holocom Secure Enclosures.		
Specifications <ul style="list-style-type: none"> • Weight: 2 lbs • Hardened steel shackle • Meets stringent U.S. Government specifications • 30-minute protection against expert manipulation • 10-minute protection against surreptitious entry attack • 125,000 possible lock combinations • Reset lock combination with the included change key
