

<b>Product Code</b>  <b>SDS-RW-BRG</b>	<b>Nominal Dimensions</b>  N/A	
<b>Description</b>  The Secure Raceway Joint Kit provides one hundred (100) Secure Raceway Joints (SDS-RW-SRJ) in a single convenient package. The SRJ replaces the Bridge in the Raceway Attachment Kit and makes Secure Raceway installation faster and easier. The SRJ covers and adds rigidity to all Secure Raceway end-to-end joints, and in suspended applications, replaces the Suspended Raceway Joint. The SRJ further improves installation efficiency with mounting points that align with the manufactured mounting points on the Secure Raceway. This eliminates the need for epoxy at the joint. The Secure Raceway Joint is also supplied in the Raceway Attachment Kit (SDS-RW-AKT-02) and individually.		
<b>Specifications</b> <ul style="list-style-type: none"> <li>• Kit containing one hundred (100) Secure Raceway Joints (SDS-RW-SRJ)</li> <li>• Weight 19 lb</li> <li>• Not powder coated</li> <li>• 16-gauge electro-galvanized steel</li> </ul>
