Part Number	Nominal Dimensions
SDS-WM-RCW-ST	2" x 2" x 120"

Description

The wall-mounted 2" x 2" Secure Raceway encloses and protects secure network cables. The Secure Raceway comes in 10-foot sections[1] in a 100' kit[2] and comprises two pieces: the Raceway and TopCap. Manufactured mounting points on the Raceway allow a simplified, labor-saving mounting technique. With the addition of other locking components, the Raceway and TopCap securely lock together.

Specifications

- 16-gauge electro-galvanized steel
- Components:
  - High Security Raceway: Length 117" x Width 1.9" x Height 1.8"
  - High Security TopCap: Length 117" x Width 2.0" x Height 1.8"
