

<b>Product Code</b>  <b>SLC-LK-KIT</b>	<b>Nominal Dimensions</b>  N/A	
<b>Description</b>  The Secure Large Carrier™ Lock Kit, consisting of the Raceway Lock Connector and Lock Body Assembly, uses the same patented locking technology used with Holocom 2" x 2" Secure Raceway. When in "lock-down" position, the entire raceway is secure and the enclosed cables are protected. Releasing the internal lock enables the raceway to undergo moves, adds, and changes (MACs).
