

Product Code SMC-LK-KIT-ST	Nominal Dimensions N/A	
Description The Secure Medium Carrier Lock Kit, consisting of the Raceway Lock Connector and Lock Body Assembly, uses the same patented locking technology used with Holocom 2" x 2" Secure Raceway. When in "lock-down" position, the entire raceway is secure and the enclosed cables are protected. Releasing the internal lock enables the raceway to undergo moves, additions, and changes (MACs). At least one kit is required to secure and overlap each SMC connector cover.		
Specifications <ul style="list-style-type: none"> • 16-gauge electro-galvanized steel • Components: <ul style="list-style-type: none"> - Raceway Lock Connector - Lock Body Assembly with 30" lanyard • Total Weight: 1 lb Powder Coat Finish: White Textured (Lock Connector)
